Group 1												
Group 2												
Group 3												
Group 4												

Challenge Course — Race Rules

- Teams are to stay together for the duration of the activity.
- If another group is completing an activity, go to another activity.
- Safety breaches will result in disqualification.
- Respect the environment — stay on defined tracks.
- Each group creates a team chant to be presented at the presentation.
- Teams must be at the YMCA activities at their allocated time.
- Refer to the map for activity locations (provided to groups with a clipboard on arrival Saturday morning).
- Checkpoints 5–10 are the group led initiatives, completed on Sunday morning.
- Team co-operation and planning is essential to the team's success.
- Bonus points to the winning chants.

PLAY HARD. PLAY SAFE. HAVE FUN.

St Kevin's College Fathers Association — How Points Are Awarded

Year 7–8 Father / Male Mentor & Son Camp | 24th/25th October 2026

YMCA Led — Saturday

CP1 — Archery

YMCA LED · 1.5 HOURS

The team is to gain as many points as possible. Each team member shoots 4 arrows. Points will be deducted for not following safety guidelines.

5 pts	White
10 pts	Black
20 pts	Blue
50 pts	Red
100 pts	Yellow

CP2 — Vertical Challenge

YMCA LED · MAX 1.5 HOURS

Gain as many points for the team as possible. Each team member is allowed only 1 climb.

50 pts	For each element completed (maximum 5 elements)
+30 pts	Bonus if you can complete the 5 elements wearing a blindfold

CP3 — Giant Swing

YMCA LED · MAX 1.5 HOURS

Bonus points are awarded at the discretion of the instructor.

20 pts	For anyone who reaches the top
15 pts	For anyone who reaches ¾ of the way to the top
10 pts	For anyone who reaches ½ way to the top
+10 pts	Bonus — best dance moves
+10 pts	Bonus — best scream
+20 pts	Bonus — swinging with no hands on the strop

CP4 — Radio Rogaine

YMCA LED · MAX 1.5 HOURS

Teams are provided with a map, radio, phonetic alphabet and question sheet. Combine the scores for each Rogaine team to put on the group's scorecard.

10 pts	For every marker found and radioed in correctly using the phonetic alphabet
10 pts	For every question answered correctly
5 pts	For radioing in a marker without the correct radio procedure or phonetic alphabet

Group Led — Sunday

CP5 — Hut Building

GROUP LED · 1 HOUR

In nature, the group works as a team to build a hut. Huts need to be built on the trees on the high side of the area — not near the mountain bike trail at the bottom of camp.

10 pts	If you can create a hut
20 pts	If the whole group can all sit in the hut
50 pts	If your hut is waterproof and the group doesn't get wet

CP6 — Bat Cave

GROUP LED · 30 MINS ONLY

The chessboard is a treacherous cave with only one safe pathway to the beach on the other side. Team members take turns stepping on squares — if a square is unsafe, the YMCA leader shakes their head “no” and that person returns to the start for a new person to attempt. Continue until you reach the end safely or run out of time.

100 pts	If made halfway through the court
150 pts	If some people make it to the end
200 pts	If everyone in the group makes it to the end

CP7 — Tin Can Pass

GROUP LED · 15 MINS ONLY

Form a circle, spaced so you can just touch hands with the person next to you. Pass the tin can around everyone without it touching the ground. You can't move from your position and can only use the lower half of your body.

5 pts	Per person passed to without dropping
−10 pts	Every time the tin hits the ground

CP8 — Half Pipe

GROUP LED · 30 MINS ONLY

Get the golf ball from the end of the court into the metal tin using only the half pipe sections — no hands. Once dropped in, the ball must keep moving FORWARDS — it can't go backwards or stop — and you can't move your feet while the ball is in your section.

200 pts	Full court made into the tin
100 pts	Half court
50 pts	Good teamwork
250 pts	Top score

CP9 — Mine Field

GROUP LED · 30 MINS ONLY

Work in pairs. One person is blindfolded and must cross the mine field without touching any obstacles, guided by their partner's directions. Touching an obstacle means returning to the start.

20 pts	Per person who gets across without stepping on an obstacle or going outside the boundaries

CP10 — Toxic Waste

GROUP LED · 30 MINS ONLY

Transfer the toxic waste into the biohazard container using only the ropes and bike tyre provided — you'll need all the materials. No-one is allowed inside the outer rope, the buckets can't leave the inner rope, and no materials may be thrown or dropped inside the ring.

100 pts	Completed in under 10 minutes
50 pts	Completed in under 20 minutes
20 pts	Completed in under 30 minutes

THANK YOU FOR ATTENDING

ANGLESEA DISCOVERY CAMP

The SKCFA is a vibrant and energetic group of fathers/guardians at St Kevin's, aiming to:

- **Foster a sense of community amongst the parents of St Kevin's College; and**
- **Contribute to the development of the boys' relationship with their fathers/guardians through organised activities all year round.**

The SKCFA contributes to every year level via events held for students and for every father/male mentor via e.g. dinners. We also help at school functions, again, being an active part of the college community.

If you too want to take part in your son's year level events, or other college functions, please reach out to us:
fathersassociation@stkevins.vic.edu.au

Keep up to date with all our activities via the college portal and our Facebook page:
https://www.facebook.com/groups/SKCFathersAssociation/

FOR EVERY + FATHER SON IN EVERY YEAR LEVEL.

IT'S YOUR FATHERS ASSOCIATION.

Take part in the rewarding opportunity to be part of your son's school and schooling life.

The Fathers Association holds events for every son and every father in every year level. It's a connected network that contributes to the strengthening of the boys' relationship with their fathers.

The Association also strengthens the network between fathers/guardians. If you'd like to be part of it in any way, contact us.

The Father's Association is YOUR Association.
